

# Claudin18.2

Catalog # AP80158

## Product Information

---

|                    |            |
|--------------------|------------|
| <b>Application</b> | E          |
| <b>Host</b>        | Mouse      |
| <b>Clonality</b>   | monoclonal |

## Additional Information

---

|                    |                                                                                                                                         |
|--------------------|-----------------------------------------------------------------------------------------------------------------------------------------|
| <b>Dilution</b>    | E~~Use at an assay dependent concentration.                                                                                             |
| <b>Storage</b>     | Maintain refrigerated at 2-8°C for up to 2 weeks. For long term storage store at -20°C in small aliquots to prevent freeze-thaw cycles. |
