

# Phospho-RIP3 (S232) Antibody

Rabbit mAb

Catalog # AP93140

## Product Information

|                          |                                                                                                                                                                                                                                                                    |
|--------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Application</b>       | WB                                                                                                                                                                                                                                                                 |
| <b>Primary Accession</b> | <a href="#">Q9QZL0(mouse)(human:Q9Y572)</a>                                                                                                                                                                                                                        |
| <b>Reactivity</b>        | Mouse                                                                                                                                                                                                                                                              |
| <b>Clonality</b>         | Monoclonal                                                                                                                                                                                                                                                         |
| <b>Other Names</b>       | Receptor interacting protein 3; Receptor interacting serine threonine kinase 3; Receptor interacting serine/threonine protein kinase 3; Receptor-interacting serine/threonine-protein kinase 3; RIP like protein kinase 3; RIP-3;RIP-like protein kinase 3; RIPK3; |
| <b>Isotype</b>           | Rabbit IgG                                                                                                                                                                                                                                                         |
| <b>Host</b>              | Rabbit                                                                                                                                                                                                                                                             |
| <b>Calculated MW</b>     | 50 KDa                                                                                                                                                                                                                                                             |

## Additional Information

|                                     |                                                                                                                                                                                   |
|-------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Dilution</b>                     | WB 1:500~1:2000                                                                                                                                                                   |
| <b>Purification</b>                 | Affinity-chromatography                                                                                                                                                           |
| <b>Immunogen</b>                    | A synthesized peptide derived from human Phospho-RIP3 (S232)                                                                                                                      |
| <b>Description</b>                  | Promotes apoptosis.                                                                                                                                                               |
| <b>Storage Condition and Buffer</b> | Rabbit IgG in phosphate buffered saline , pH 7.4, 150mM NaCl, 0.02% sodium azide and 50% glycerol. Store at +4°C short term. Store at -20°C long term. Avoid freeze / thaw cycle. |

## Protein Information

## Images

Western blot analysis of Phospho-RIP3 (S232) expression in L929 cell lysate.

Please note: All products are 'FOR RESEARCH USE ONLY. NOT FOR USE IN DIAGNOSTIC OR THERAPEUTIC PROCEDURES'.
