

# Anti-CD16.2 Antibody

Catalog # AP95576

## Product Information

---

|                    |                         |
|--------------------|-------------------------|
| <b>Application</b> | FC, IF/IC               |
| <b>Reactivity</b>  | Mouse                   |
| <b>Host</b>        | Armenian Hamster        |
| <b>Clonality</b>   | Monoclonal (clone: 9E9) |

## Additional Information

---

|                           |                                                                             |
|---------------------------|-----------------------------------------------------------------------------|
| <b>Other Names</b>        | Low affinity immunoglobulin gamma Fc region receptor IV; CD16-2; FcgammaRIV |
| <b>Target/Specificity</b> | FCyR4 —EC domain fusion with IgG1 Fc                                        |
| <b>Dilution</b>           | FC~~1:10~50 IF/IC~~N/A                                                      |
| <b>Format</b>             | Armenian Hamster IgG. Liquid in PBS, pH 7.3, and 0.02% sodium azide.        |
| <b>Storage</b>            | Store at -20 °C.Stable for 12 months from date of receipt                   |
