

Sialoadhesin/CD169 Rabbit mAb

Catalog # AP96154

Product Information

Application	IHC-P, FC, ICC
Primary Accession	Q9BZZ2
Reactivity	Human
Host	Rabbit
Clonality	Monoclonal
Isotype	IgG
Immunogen	Peptide
Purification	Protein A

Additional Information

Other Names	SIGLEC1; SN; SIGLEC-1; dj1009E24.1; CD169; CD169 antigen; dj1009E24.1
Dilution	IHC-P~~ IHC-P-1:50-1:100 FC~~FC-1:50-1:100 ICC~~ICC/IF-1:50
Storage	Store at 4°C short term. Aliquot and store at -20°C long term. Avoid freeze/thaw cycles.

Protein Information

Images

Immunohistochemistry analysis of paraffin-embedded Human colon using CD169 antibody. High pressure and temperature Tris/EDTA (PH 9.0) used for antigen retrieval. The brown color represents the positive signal observed with CD169 antibody.

Immunocytochemistry analysis of CD169 (green) in THP-1 cells using CD169 antibody, and DAPI (blue).

Flow Cytometry analysis of THP-1 cells stained with CD169 antibody(Red).Blue line histogram represents nonspecific negative control
