

HA Tag Antibody

Purified Rabbit Polyclonal Antibody (Pab)

Catalog # AW5664

Product Information

Application	WB
Host	Rabbit
Clonality	Polyclonal
Calculated MW	45 KDa
Isotype	Rabbit IgG
Antigen Source	HUMAN

Additional Information

Antigen Region	NA
Other Names	Glutathione S-transferase
Dilution	WB~~1:1000
Target/Specificity	KLH conjugated synthetic peptide encoding HA tag was used as antigen.
Storage	Maintain refrigerated at 2-8°C for up to 2 weeks. For long term storage store at -20°C in small aliquots to prevent freeze-thaw cycles.
Precautions	HA Tag Antibody is for research use only and not for use in diagnostic or therapeutic procedures.

Background

Epitope tags consisting of short sequences recognized by well-characterized antibodies have been widely used in the study of protein expression in various systems. The HA tag (YPYDVPDYAYPYDVPDYA) is an established example. Abgent's anti-HA polyclonal antibody provides a simple solution to detect the expression of an HA-tagged protein in cells.
